German, English (fluent)
Ukrainian, Russian (native)

MARGARITA UDOVYCHENKO

UX/UI Designer (Product)
based in Berlin, Germany

Portfolio

WORK EXPERIENCE

PRODUCT DESIGNER (UX/UI)

POLYAS (B2B SaaS & Service Model) | since 2021

- Developed and led the complete UX/UI process for six products – from user research and requirements analysis through prototyping and testing to final interface design.
- Delivered long-term improvements to product usability – increased satisfaction with design and user experience by 46% (based on customer surveys).
- Redesigned the onboarding process – reduced the initial initial post-login drop-off rate during onboarding by 10%.

PROJECT MANAGER

POLYAS | 2018-2021

- Led process and project management for online elections – successfully delivered 82 client projects and optimized internal workflows.
- Managed large-scale, politically significant elections following PRINCE2 standards – ensured adherence to timelines, quality requirements, and budgets.

PROJECT MANAGEMENT ASSISTANT, INTERN, AND RESEARCH ASSISTANT

Frankfurt School of Finance & Management, German Bundestag, European University Viadrina, Institute for European Politics | 2015-2018

- Supported the planning, organization, and coordination of projects.
- Assisted project managers with documentation, scheduling, and sta communication.
